After

Process time 2h

New company in 18 minutes

90 % of Estonians have ID-card

ID-card enables e-Signature

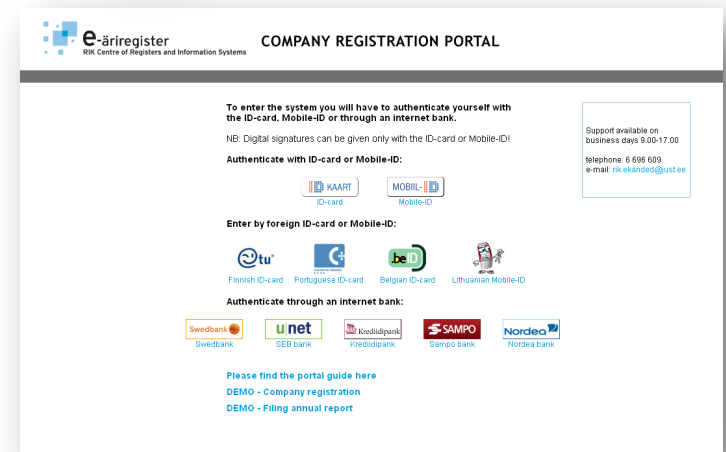

ID-card uses PKI

Internet connection

ID-card reader OR Mobile-ID

Valid ID-card and PIN passwords

Company Registration Portal

Easy step by step process
to register a new company

No need for Public Notary

No paperwork at all

In portal you can:

- Register a new Company
- Change information in Commercial Register
- File annual report

The screenshot displays the 'e-aregister' portal interface for company registration. At the top, it shows the logo and 'COMPANY REGISTRATION PORTAL'. Below the header, there is a progress bar with steps: 'Preparation of the entry petition', 'Confirmation of the entry petition', 'Payment of the state fee', and 'Sending the entry petition for proceeding'. The main content area is divided into several sections, each with a form field and a 'Enter' button:

- Trader:** Includes a 'Business name' field.
- Address:** Includes an 'Address' field.
- Capital:** Includes 'Share capital' and 'Foreign currency' fields.
- Persons in the entry:** A table with columns for 'Function', 'Code / Date of birth', 'Name / business name', 'Place of residence / seat', and 'Contribution'.
- Normal regulation of the right of representation:** A text area for 'The member of the management board...' and a 'Precursor:' field.
- Specifications of the right of representation:** A table with columns for 'Type' and 'Contents'.
- Legal form:** Includes a 'Name' field and a dropdown for 'Private limited company'.
- Financial year:** Includes 'Start of a financial year' and 'End of a financial year' fields.
- Articles of association:** A table with columns for 'Date of approval', 'Date of alteration', 'Explanation', and 'PDF document'.
- Persons outside the entry:** A table with columns for 'Function', 'Code / Date of birth', 'Name / business name', and 'Place of residence / seat'.
- Founders:** A table with columns for 'Code / Date of birth', 'Name / business name', 'Place of residence / seat', and 'Contribution'.
- Means of communication:** Includes a 'Type' and 'Contents' field.
- Planned principal activity:** Includes an 'EMTAK' and 'Area of activity' field.
- Additional documents to be submitted with the entry petition:** A table with columns for 'ID', 'Type', 'Name', and 'Size'.

At the bottom, there is a 'Check the details of the entry petition' button and contact information for the Centre of Registers and Information Systems.

Cross border digital signature
