

Nordic-Baltic Migration Conference 2019, Tallinn

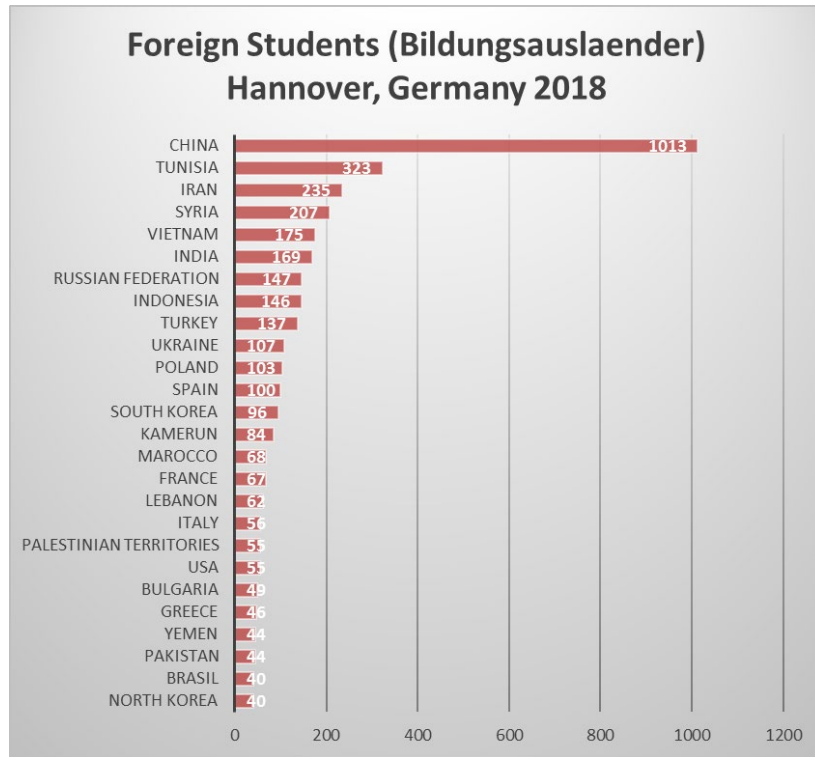

**How to establish long-term cooperation of science, economy and politics:
Welcome Service for international students and Hannover Skilled Workers' Alliance**

Facts & Figures

Hannover:

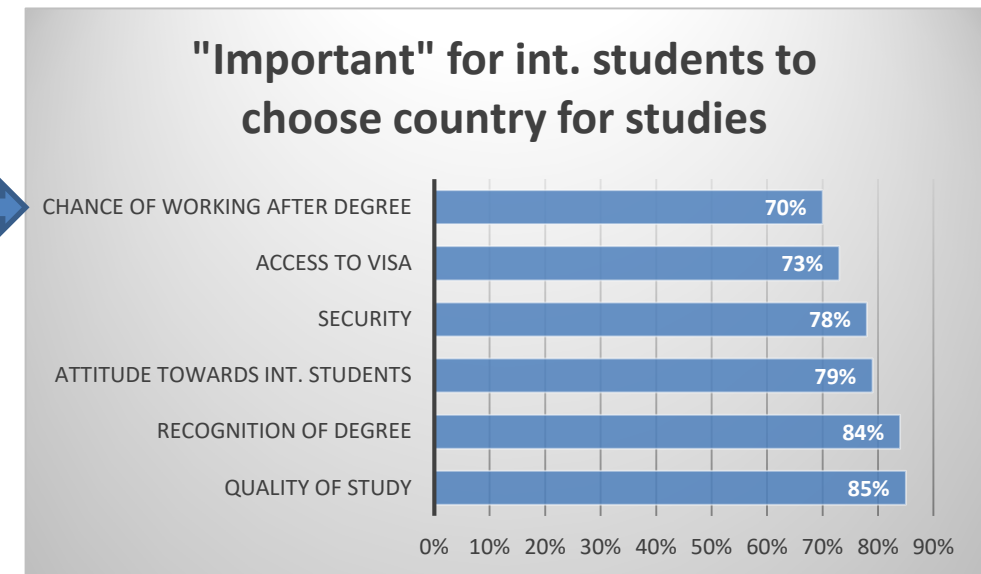

- 49.000 Students at 9 universities in Hannover
- 6.600 students with foreign nationality

© Statista 2019

Germany:

- Bertelsmann Stiftung: Need of 260.000 migrants p.a.
- German Immigration regulations for foreign students after graduation are very liberal (OECD): 18 months residence permit for searching qualified job.

Welcome to study and work in Hannover – 6 Guidelines:

- **Political Initiative Top Down:** Heads of City and Region, regional economy + universities start the alliance
- **Network / working structures:** relevant actors such as universities, economy, City administration, society
- **Action plan:** Development of common objectives and measures
- **Ressources:** Share responsibility for bringing the plan into life
- **Local acceptance:** events and publicity with and for international students
- **Challenging:** involving students and companies – face to face!

Political Initiative Top Down: Heads of City and Region, regional economy and universities start the alliance
