

The background of the entire image is a photograph of two hands held up, palms facing forward, against a plain grey background. The hands are positioned symmetrically, one on the left and one on the right, with fingers slightly spread. The lighting is soft, highlighting the texture of the skin and the lines on the palms.

Director

Dialogue against Domestic Violence

3. November 2022

The intervention model

- Builds on a previous, successful project
- Funded by the Danish government
- August 2022 – december 2024

Training

- Workshops and training sessions
- Helping police and municipality front-line personnel to identify cases of domestic violence

Finding the families

Front-line workers

- Speak up on suspicions
- Inform about treatment options
- Get approval for data sharing if citizens accept treatment offer
- Give brochure and phone follow up if citizens decline treatment offer

The joint contact at Lev Uden Vold

The phone line contact the citizens and:

- Check if there is an immediate safety problem and refer to crisis center or hospital if required
- Check which of the five target groups they belong to
- Inform that the citizen will be offered up to five sessions
- Get approval and give data to treatment NGO

The sessions in the NGOs

- Risk assesment
- Client needs and wants
- Councelling
- Focus on any children
- Possibly couple sessions if safe
- Help with referral and further treatment

Follow-up

- Continued treatment in NGOs
- Help with other social issues in municipalities
- Referral to other treatment options
