

A Librarian Is Not Just a Librarian

Partnerships, skills and communication =
Children and Culture (and my) everyday

Everything has its beginning ...

Good stories and tales ...

"Danmarks Biblioteksskole" - Royal School of Library and Information Science

4 years, with literature and library items

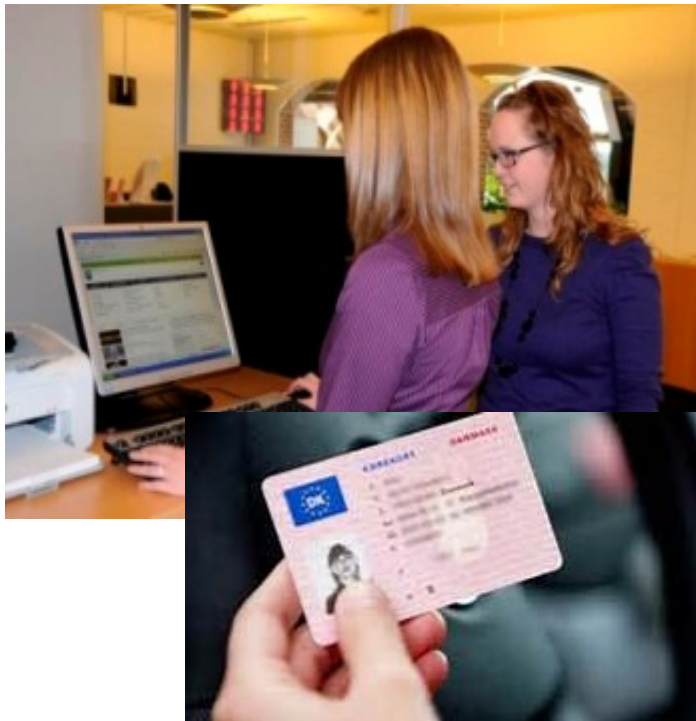

Hørsholm Library ..

Creative, child and adult librarian - Librarian for the children rather than adult librarian....

Children's librarian today...

Services for citizens & New roles

Play, creative and libraries without staff...

Publishing og Children's literature

Here I entered my "child-publishing shoes".... and wrote my first children's book

Gentofte library

The leadership-role, networking and 44,000 liters of water .. - and a special borrower

Gentofte Main Library - Water Damage...

Gentofte Library - after

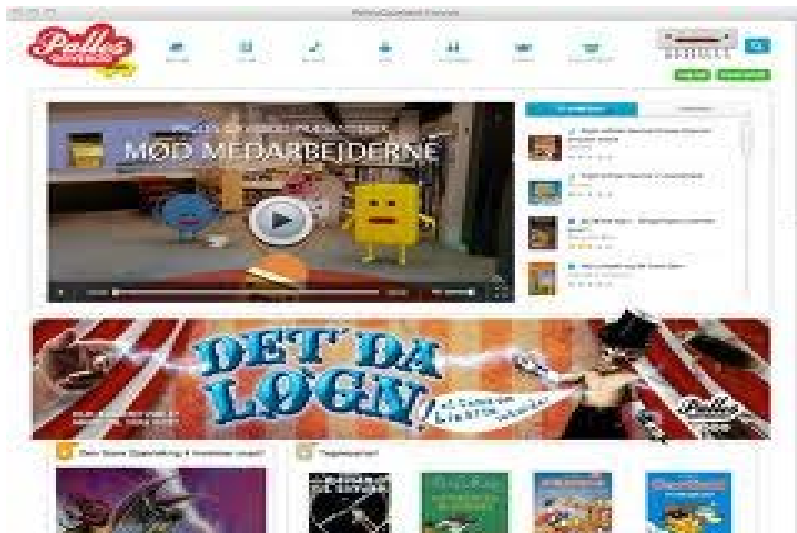

Copenhagen Bombay & Anders Morgenthaler & "Palles Gavebod" & Danish agency for Culture ...

What is a library? - Partnership – translator - - translator
between libraries and companies

Pallesgavebod.dk (site for children)

- Partnership
- Co-operate
- Compromise
- Change habits
- Involve Pallesgavebod in the library and in activities

Danish Broadcasting Corporation - DR Ramasjang, an old bus and a libraries in Denmark...

Enthusiasm , new working method and a lot of laughs!

Library & Ramasjang

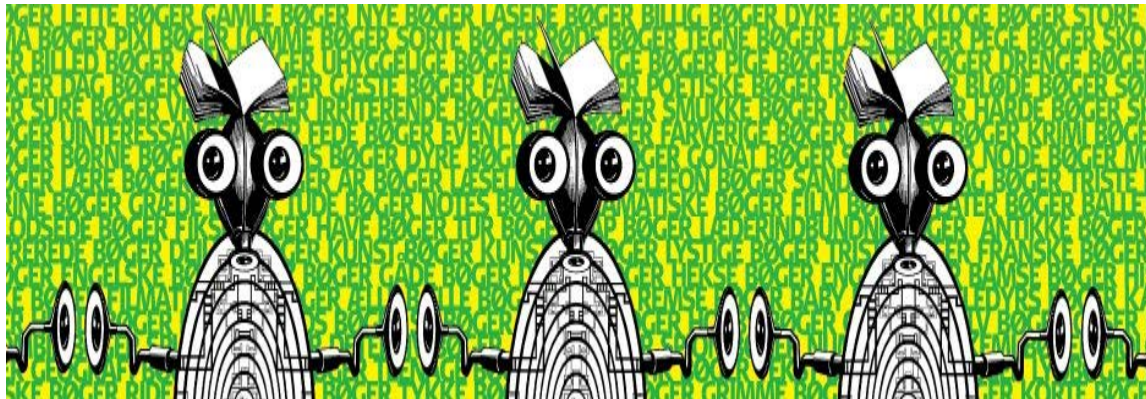

Spontaneity & Academic success

A phone call

Job of my dreams or?

**A book festival, literature courses, Literature
conferences and a site with reviews ...**

<http://www.bogbotten.dk/>

Network, network , NETWORK, network, network...

Can not be said enough times ...

And now what it is all about:

RELATIONS

And of course, the books...

Young-adults-book

Picture Books

Coach of literature..

Libraries

Vejle Library

Taarby Library

Future of libraries...

- *Back to basic?*
- *The culture has come into libraries - now we just need to learn to cooperate...*
- Place for reflection & immersion
- Entertainment and live
- Meeting place
- Place for learning
- Library online or/and library as a place

Thanks for today
