Perceptions of migration and diversity

Out of every 100 people, about how many do you think are Muslim?

Nearly all countries overestimate their Muslim population, and many are extraordinarily wrong.

Implications for the nation

Hva vil det si å være norsk i 2015?

Oppgave:

Skriv en tekst hvor du formidler egne tanker om hva det vil si å være norsk i 2015.

Ta utgangspunkt i dine egne erfaringer og i spørsmålene under:

- Hvem er det som er norsk og hvem er ikke norsk?
- · Kan man bli norsk?
- Er det i dine øyne noen sammenheng mellom utseende og norskhet?
- · Er det noen sammenheng mellom tro og livssyn og det å være norsk?

Teksten skal være på ca. 2-3 sider.

Studien blir meldt til Personvernombudet for forskning, Norsk samfunnsvitenskapelig datatjeneste AS.

• What kind of time-frame?

Migration related diversity and the nation-state

- Implications for the nation and for the state
 - Related but distinct
- Temporal perspectives
 - Short-term vs. long-term
- Political paradoxes
 - Which common good?

Thank you
