# Culture Pedagogy Centre

- \* **Our work in school**

- \* The process is the most important

- \* Dialog

- \* Training for teachers

# What we want for the children

- \* Access to more opportunities
- \* More inputs into knowledge
- \* Become creative
- \* Develop curiosity
- \* Imagination
- \* Critical thinking
- \* Grow as people

# The benefits for the children

The students learn how to...

- \* Tell a story
- \* Acting
- \* Taking pictures
- \* Put the pictures from the camera to the computer
- \* Do sound recordings
- \* Motivation
- \* Communication
- \* Collaborating
- \* Make decisions
- \* And a lot more.....

It was like being in a book,  
which we wrote ourselves at  
the same time.

# Creative school

- \* The Swedish government have invested 150 milj. To strengthen collaboration between the professional culture life and school.
- \* Cultural and artistic expression shall be integrated into grade 1-9 in primary school based on the school`s cultural mission under current curriculum.
- \* Increase the professional cultural activities for and with students, so that access to culture, all forms of expression and opportunities for individual creativity increases.
