Reception of Ukrainian refugees: Temporary housing

Liis Paloots, 17.09.2026

Objective

For Ukrainian war refugees:

- 1) Safety and dignified reception are ensured
- 2) Support is provided to become self-sustainable and live independently as quickly as possible

Challenges and Solutions

- Regular capacity: 100 (+50)
- Legal framework
- Planning assumptions
- Implementation of the TPD
- Cooperation
 - Private sector
 - Local governments
 - Civil Society
- Unified coordination
- Durable solutions/Long-term plan

Societal solidarity and willingness to support Ukrainian refugees

Examples

Photo: Mihkel Maripuu

A screenshot of the KINNISVARA 24 website. The header includes the logo 'KINNISVARA 24' and links for 'EE', 'Sisesta abipakkumine', and 'Logi sisse'. The main text says: 'Siia veebilehele koondame kokku majutuspakkumised Eestis. Kindlasti soovitame kasutada otsingufiltrit, et näha just Teile sobivaid pakkumisi.' Below this is a search filter bar with dropdown menus for 'Harju maakond', 'Tallinn', 'Haldusüksus', 'Maja', and 'OTS'. There are also input fields for 'Min hind', 'Max hind', 'Tasuta', 'Min suurus', and 'Max suurus'. At the bottom of the filter bar are dropdown menus for 'Tube', 'Inimeste arv', 'Lisavõimalused', and 'Periood'. Below the filter bar, it says 'Kokku 131 tulemust' and 'Järjesta'. A yellow button labeled 'SISESTA ABIPAKKUMINE' is visible. A note at the bottom says: 'Kui soovite muuta või aktiveerida/deaktiveerida pakkumist kontakteeruge ukraina@kinnisvara24.ee'.
